

ABOUT BONUS WEEKS

Bonus Weeks, issued by the Sales Office, are distinct from Deposited Weeks with Trading Places. The Sales Office has an inventory of unsold weeks and member weeks. This inventory is available for members or their guests to rent at a discount or for Bonus Week use, and for occasional upgrades. If you want to use a Bonus Week contact the Sales Office at Club Cascadas.

If you need more weeks than you own, or you would like to invite guests, you can rent for a discount through the sales office, or use a Bonus Week. Better yet, buy another villa and use it forever!

If you submit your week for to the sales office for use as a Bonus Week, and it is used by another member, then your maintenance fee will be refunded after the start of your week. Of course, if a cannot be found to use your week, there can be no refund.

ABOUT DEPOSITED WEEKS

Depositing is easy! There's no charge to deposit your week with TPI, as long as your maintenance fees are paid in full for the year of the deposited week.

Just remember:

- You must make your deposit with TPI no less than 60 days prior to the arrival date in order to receive a guaranteed exchange credit; otherwise, you'll be subject to certain restrictions. You won't receive exchange credit unless TPI is able to get your unit confirmed by another exchange member. In that case, you'd get the same credit you'd get if you had deposited more than 60 days from the arrival date.
- Your unit will be exchanged for a unit of the same size, but if you want to stay in a larger unit, you can do so by paying the applicable upgrade fee.
- Your deposited weeks are good for two years from the arrival date. If you can't use your unit by the end of the two years, you can purchase a one-year extension for \$129.
- You may remove your deposited week from the exchange program for a \$50 fee, **only if** TPI hasn't already confirmed it to someone else.
- Club Cascadas is a high-demand resort; consequently exchange inventory is rarely available. The great majority of Club Cascadas' inventory is confirmed directly to Club members on the waitlist.
- It's important to get a spot on the waitlist as early as possible, as all space is offered on a first-come, first-served basis. You may start your search up to 24 months in advance and as usual, the sooner the better!

To maximize your chances of getting a unit, we encourage you to be flexible with your unit size and dates, and we recommend that you don't purchase your airfare until the exchange is confirmed!

TPI's Exchange Fee Schedule
