

Dear Club Cascadas Member,

Thank you for your interest in in Trip Protection & Travel Medical Insurance. Securing Trip Investment insurance has never been more important, especially with the unprecedented times we are all currently faced with.

When we all think vacation, we imagine fun in the sun and this is going to be the most perfect get away, nothing can possibly go wrong. Many unforeseen events can happen prior to your departure date that cause your trip not to occur. Securing Trip protection ensures your trip investment is protected.

- Coverage offered by HTH Worldwide includes trip protection & travel medical benefits.

HTH Worldwide provides 3 core trip protection insurance plans to choose from, [ECONOMY, CLASSIC & PREFERRED](#). We recommend the “PREFERRED PLAN” including “Cancel for ANY Reason”. “Cancel for ANY Reason” is not automatically included on the Preferred plan. If this peace of mind is important to you like most, you must toggle the box to include “Cancel for Any Reason” coverage. **Plan must be purchased within 10 days of your first deposit date. See Screen shot below for a visual of the box to toggle.**

CDC has set new requirements when boarding a commercial airline returning to the United States. Each Traveler must have a negative Covid-19 test result prior to boarding.

- Extending the policy dates beyond your original return date is suggested in the event Covid-19 is detected and the traveler is mandated to stay longer in this foreign country until they are cleared, with no signs of Covid-19.
- Extending trip protection while in the destination country to not permitted by the company, thus the reasoning for purchasing an additional 14 days to be sure medical benefits will continue while in the foreign country, under quarantine & possible hospitalization.
- Coverage for extended accommodation is not covered unless the accommodation required is in a hospital.
- The premium varies upon your trip cost, duration of travel & ages of travelers.
- Trip Protection provides security for Non-Refundable expenditures for your upcoming trip outside the United States.
- U.S. Citizens & Residents of the United States qualify for this Insurance Protection. If you fall outside this requirement, please contact our office for additional plan options.
